## CLEANING UP AUSTRALIA, ONE BATTERY AT A TIME!

By choosing Century Marine batteries you'll assist in changing attitudes towards rubbish and waste through education, support, materials and advice to communities that wish to make a difference.

- ✓ Create lasting change
- ✓ Build environmental awareness
- ✓ Boost community engagement
- ✓ Provide a practical solution to rubbish

## WHAT IS CLEAN UP AUSTRALIA?

Clean Up Australia is an environmental not-for-profit organisation that inspires and works with all communities to clean up, fix up and conserve our environment. Recognising that prevention is better than cure, Clean Up Australia is active in support of community led action to reduce the likelihood of rubbish entering the environment and to minimise its impact if it does.
